Thanks to local organizers, Jim Gleason and Erin Watley, as well as outgoing President, Loretta Westry.

A discussion was held to recruit more AACTM meeting participants. President Kwadwo Antwi-Fordjour will try to have a meeting date (possibly in February) determined in the fall semester to hopefully avoid conflicts with other conferences and activities. Janie Kennedy recorded email addresses of participants in an effort to get an updated email address list. We will make efforts to reach out to departments across the state to make college math faculty aware of our existence and invite them to participate in our 2025 conference.

The meeting adjourned at 2:38.
